## Introduction

Dear Parents,

Welcome to the Lake County Baptist School family! We appreciate the trust you have shown by enrolling your child in Lake County Baptist School. We do not take this trust lightly and are committed to ensuring that your child succeeds at school and in life. To better acquaint you with our mission and focus, please take a few moments to read this handbook. It will explain the purposes, policies, and procedures by which we operate.

Optimum Christian education is the result of the threefold cord of home, school, and church working together in harmony. To attain the optimum results requires that each strand of the cord be in place and contributing to the strength of the whole. We believe that education is to be Christ-centered, Bible-based, and character-forming. Lake County Baptist School is convinced that Christian education is not merely an alternative to the problems of the public schools - it is exactly what each child needs under God. We trust that this is the conviction of each home and church represented.

Colossians 1:18 states Christ is to have the preeminence in all things. This is our highest priority! We are, of course, very interested in academics, sports, and social activities as necessary ingredients of a well-rounded educational program; however, if Christ loses the preeminence, the education will not really be "Christian." The school asks for your assistance in making the total environment of the school Christ-centered.

Finally, Christian education requires sacrifice - yes, even great sacrifice. The faculty and staff of LCBS have sacrificed much in terms of low salaries, time, and increased dedication to the students' welfare. Sacrifice is also required of the parents. Christian education is not the responsibility of the school alone. Parents are called on to make the necessary financial sacrifice as well as the sacrifice of time attending meetings, supervising homework, transporting children to and from school, and assisting in other school-related events.

We covet your support for our school, especially in time and prayer. We believe that the threefold cord can successfully assist our children in their education and that it cannot be easily broken.

Ecclesiastes 4:9-12 "Two are better than one; because they have a good reward for their labour. 10 For if they fall, the one will lift up his fellow: but woe to him that is alone when he falleth; for he hath not another to help him up..12 And if one prevail against him, two shall withstand him; **and a threefold cord is not quickly broken.**"

Sincerely,  
Ralph L. Warren, Pastor  
Timothy E. Kowach, Associate Pastor - School Administrator  
Amy Foster, Vice Principal

## School Verse

John 10:10b "... that they might have life, and that they might have it more abundantly. "

## Purpose

Lake County Baptist School is a ministry of Lake County Baptist Church that exists to assist parents in the development of children who are biblically grounded, academically prepared, socially adept and physically sound.

**Biblically grounded:** *"Let the word of Christ dwell in you richly..."* Col. 3:16

- To ensure that each child has a personal relationship with Jesus Christ
- To instill a love for the Word of God
- To provide an environment where students learn to think biblically
- To awaken a realization that God has a calling for each life
- To instill a sense of responsibility and compassion for those who do not know Christ.

**Academically prepared:** *"... but be ye transformed by the renewing of your mind..."* Rom. 12:2

- To impart a command of essential knowledge and skills
- To discover and develop individual aptitudes
- To instill a love of learning and academic excellence
- To cultivate disciplined, analytical thinking
- To prepare each student academically for the next step in God's calling.

**Socially adept:** *"Walk in wisdom toward them that are without..."* Col. 4:5

- To instill a loyalty to Jesus Christ in all things and at all times
- To develop integrity in the application of scripture to life
- To impart the crucial skills and understanding that equip students to act, dress, and conduct themselves appropriately in all circumstances and occasions
- To develop an understanding of the student's place and obligations in the family, church, school, and community.

**Physically sound:** *"... present your bodies a living sacrifice holy, acceptable unto God..."* Rom. 2:1

- To develop a respect for the body as the temple of the Holy Spirit
- To encourage the yielding of the body as an instrument of God's use
- To teach intelligent care of the body.

## History

In August of 1974, Lake County Baptist Church established LCBS by purchasing the former Bonnie Brook School. The first year began with only church families, but the school was able to expand to include the community the following year. In 1977, the church erected a new building to accommodate increased enrollment. In the late 1970's and early 1980's, the church purchased additional properties to develop a playground, ball diamond, and soccer field. Presently, the church is purchasing additional property for the further expansion of this ministry.

## Pledges

### TO THE AMERICAN FLAG

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

### TO THE CHRISTIAN FLAG

I pledge allegiance to the Christian flag, and to the Savior for Whose kingdom it stands. One Savior, crucified, risen, and coming again, with life and liberty to all who believe.

## **TO THE BIBLE**

I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet, and a light unto my path. I will hide its words in my heart, that I might not sin against God.

## **LCBS CREED**

We believe in one triune God: God the Father, God the Son, and God the Holy Spirit; one God in three persons, Blessed and Holy Trinity.

We believe in the inspiration, inerrancy, and authority of the Bible, both the Old and the New Testaments; in the creation of man by the direct act of God; in man's historical fall in the Garden of Eden and the subsequent sinfulness of the human race; in the incarnation, virgin birth, and therefore deity of our Lord and Savior, Jesus Christ; in His vicarious atonement for the sins of mankind by the shedding of His blood on the cross; in the resurrection of His body from the tomb and His ascension to the right hand of the Father; in salvation by grace alone, through faith alone; and in the gift of eternal life by the grace of God.

We believe in the imminent return of Christ in the air to catch away the Church; in His glorious return seven years later to establish His kingdom on earth; in the final judgment of mankind, with endless joy in heaven for believers.

## **THE LCBS WAY**

**L:** Living with integrity

**C:** Caring for others

**B:** Being respectful

**S:** Striving for excellence

## **Teacher Qualifications**

Every teacher in Lake County Baptist School must be qualified both spiritually and professionally. All teachers and staff employees are born-again Christians who have dedicated themselves to Christian service. They are all active members of a local church and fully support the doctrinal and mission statements of the school.

## **SCHOOL PROCEDURES**

### **Admission Policy**

All K4, K5 & 1st grade students should be their respective age by September 1. Acceptance is contingent upon the results of an interview with the administration, any required testing, and the review of permanent records of the student's previous schooling.

All new students are admitted on a six-week probationary standing. Once the student demonstrates good character and academic competence, the probationary standing will be dropped.

High school parents and students are required to sign the Statement of Cooperation. No student will be admitted or allowed to remain in LCBS who does not agree to cooperate with the overall purpose and program of the school.

### **Non-Discriminatory Policy**

Lake County Baptist School does not discriminate on the basis of race, gender, or ethnic origin in the administration of educational policies, admission policies, discipline policies, athletic programs,

or other school programs. Students are admitted on the basis of good character and school record.

At this time, we are not equipped to educate the child with special needs.

## **Enrollment Procedures**

Parents may apply in the school office during regular office hours. Enrollment is not finalized until the following steps have been completed:

1. Application to Lake County Baptist School submitted.
2. Registration fee paid.
3. Transcripts &/or report card, & achievement test results received by the office.
4. Student's birth certificate, school physical & immunization records that are up to date turned in to office.
5. Any necessary testing completed. K4, K5 & 1st grade entry testing will be based on readiness skills which includes mental development, social maturity, and age-appropriate behavior. **No testing will be done the week before school starts or the first week of school.**
6. Personal interview completed.
7. Letter of acceptance received.

## **Transfer Students**

Students transferring from another school are required to take an entrance examination. The results will be used to help determine the grade level in which the incoming student will be placed. All transferring students are asked to bring a copy of their most recent school records and/or their report card to their interview with the administration.

## **Physical Examination**

Students entering preschool, kindergarten, sixth, and ninth grades or entering Illinois schools for the first time are required by the State of Illinois to have a physical examination and a series of immunizations before they can be admitted to classes. Physical examinations may be received a year before the start of fall classes and must be completed by Oct. 15 of the year required. Evidence that the required immunizations against Measles, Mumps, Rubella, Diphtheria, Pertussis, Tetanus, Polio, Hepatitis B, HiB, Chicken pox, and Meningitis have been administered to the student must be on record in the school office.

Students entering Kindergarten, second, and sixth grades are required by the State of Illinois to have a dental exam. The exam can be done anytime during that school year.

Kindergarten students are required to have an eye exam. Exam must be completed by October 15.

All students must have immunizations up-to-date and complete by October 15 or they will be asked to be kept at home until all immunizations are current.

A transfer student from another Illinois school may be admitted by transferring a physical examination record, if the examination was taken the summer prior to entering kindergarten, or after completing 5th or 8th grade and if the required immunization was received at that time. A transfer student coming from out of state must have a physical within Illinois in order to attend school and will also need an eye exam if they are entering Illinois schools for the first time. Transfer students are allowed a grace period of one month to meet physical & eye exam requirements.

## Re-enrollment Application

Students wishing to bring an out- of-town visitor to school must submit a written request, signed by their parents, several days in advance of the visit. Students below third grade are asked to have a parent or guardian present during their classroom visit. These requests will be approved at the discretion of the administration and teacher.

Former students are asked to receive administrative approval and a visitor's pass before visiting current students during school hours.

All visitors are asked to dress in a manner consistent with the students' dress code.

### Withdrawal

Withdrawals from school must be made **in person** through the school office. It is understood that the tuition is due and payable until the office has been notified of withdrawal and the official withdrawal form completed. Students transferring to another school and having attended one day or more of any month will owe the full month's tuition. **If a student is voluntarily withdrawn, no tuition or fees are refundable.** Records will not be released until all bills are paid and all textbooks and materials have been returned.

## **Donations**

LCBS endeavors to keep tuition rates low for the benefit of our school families. Many individuals have helped us maintain our low tuition profile by contributing in one or more of these suggested ways: (1) gifts to special building, remodeling, or physical needs; (2) gifts for special equipment purchases; or (3) gifts for sponsoring needy students. Many of our own church families have sponsored individual student's tuition and we encourage willing donors to do the same. All gifts are tax deductible. Please contact the office for further information if you are interested in donating in these ways.

## **Closing of School**

A severe storm or other emergency may require school to be closed. A decision to close school is generally made by 6:00 AM. An e-mail will be sent out at that time. Information will also be available on RenWeb, our website [www.lcbministries.org](http://www.lcbministries.org), Emergency Closing Service at [www.EmergencyClosings.com](http://www.EmergencyClosings.com), and local radio and/or TV stations. You may also sign up to receive a text from Remind.me in the office.

## **Telephone**

It is vital that we have current contact information for parents/guardians to be able to reach you when necessary. Students may use the school office phones only by permission from their teacher, the administrator, or the office. High school students may bring cell phones to school, but they must remain silenced or turned off in their lockers during class hours.

## **Emergency Drills**

Fire, tornado, and lock-down drills are held periodically throughout the year. For fire drills, it is important that students move quickly, quietly and in an orderly manner to the assigned exit as soon as the alarm is sounded. A sign indicating the exit route is located in each classroom.

## **Field Trips**

Field trips are taken at various times during the school year to places of educational interest. The Chicagoland area has many places of special interest and benefit for the student. The students are required to maintain the same level of discipline away from the school as is required at the school.

Permission slips sent with the details of the trip must be signed and returned by the due date for the children to participate. If you choose to chaperone please leave younger children with a sitter.

Oftentimes when you chaperone you will also be expected to drive and must take more than your child with you otherwise you are not considered a chaperone.

## **Parent Volunteers/Sponsors**

The school welcomes and encourages parent volunteers. There are opportunities to volunteer on a regular and occasional basis. Some of these opportunities are as follows:

1. Be an elementary room parent to plan and assist the teacher with class parties.
2. Assist the elementary teacher with recess or physical education class.
3. Share your favorite art or craft project.
4. Help count and sort soup labels.
5. Monitor the elementary/high school lunchroom.
6. Tutor elementary or high school students.
7. Help label and sort books in the library.
8. Chaperone field trips.
9. Sponsor a high school class.

10. Assist with fund-raisers.
11. Help with concession stand during sports season.

If you are willing to volunteer, please call the office.

## **Parent-Teacher Conferences**

LCBS recognizes the importance of the home and the school working together to attain our goals of developing children who are biblically grounded, academically prepared, socially adept, and physically sound. Therefore, scheduled times have been set aside for parents and school personnel to meet in order to discuss the needs of the student.

Parent-teacher conferences may be necessary throughout the school year in order for parents to know first-hand their child's progress. Parents may request conferences by emailing their child's teacher.

## **School Store**

The school office stocks many items from paper to pens, including LCBS book covers, PE uniforms, & Bibles. A price list of all items stocked is posted in the school office.

## **Lost and Found**

We encourage students to keep track of their possessions; however we understand that items are often misplaced. Lost and found books & classroom materials are taken to the school office for the Jr./Sr. High who are charged \$.50 to claim any lost items. All lost clothing items are placed in the Lost & Found box located in the High School hallway. All elementary lost and found articles are put in the box outside the door of the Vice Principal's office. At the end of each six-week period all unclaimed clothing items will be sent to Schoola or charitably dispersed.

## **Health Care Policies**

Students who become ill during the school day will be taken to the school office. No student with a temperature of 100 degrees or above will be allowed to remain in school. The school secretary will call the parent/guardian and ask that the child be taken home or to a doctor. Children may not return to school until they are well and without a fever for 24 hours without the aid of medication. Any student that has been absent 3 or more days may be required to have a doctor's excuse to be able to return to school.

If your child displays any sign of illness, such as fever (even a low grade temperature), vomiting, excessive coughing, or a sore throat, please keep him at home to prevent the unnecessary spread of illness throughout the school.

Should a student be suspected of having a communicable parasite (head lice, body lice, etc.) or a communicable medical condition (measles, mumps, impetigo etc.), the parents **MUST** call the school. If the school suspects any such condition exists, the parents will be called to take the child home. The child must then see a doctor, and a note from the doctor stating the condition either does not exist or has been successfully treated and is no longer contagious is required before the child can return to school.

As a general rule, when a student is well enough to attend school, he is well enough to participate in physical education activities, unless he has a doctor's excuse.

All student medication, including aspirin, Tylenol, Ibuprofen, cough drops, all over-the-counter medication, and prescriptions is to be dispensed through the school office. Please make sure all

medication is labeled with the student's name, the doctor's directions for prescribed medication or written permission and directions from a parent/guardian for over-the-counter medication. These medications must be turned in to the office as soon as the student arrives at school. The school will not provide any type of medication to the student except that which is brought from home with written permission and proper directions for administering.

## **Lunch Program**

The cafeteria operates throughout the school year and provides hot meals, chips, milk, juice and soft drinks, and other snack foods. Students can either purchase this school-provided lunch or they may bring their lunch from home.

Menus for hot lunch are available on RenWeb each Monday. These meals must be ordered by Wednesday for the following week either on RenWeb or on a lunch order form which is available in the school office.

## **Student Drivers**

Any student who possesses a valid Illinois driver's license and proof of insurance may drive to school. However, a signed parental permission slip must be submitted to the school before a student may do so.

Upon arrival, students are to park along the north side of the parking lot. Drivers are to lock and leave their vehicles. Students are not allowed to loiter in or around cars before or after school, during the school day or at any school function. A student must secure permission before going to his car during the school day.

Students who demonstrate careless or reckless driving habits will forfeit the privilege of driving to school. Student drivers should recognize that the operation of a car is a privilege and a serious responsibility.

## **Library**

Books may be checked out of the LCBS library for a period of two weeks. The limit is three books at a time. Secondary students may take out additional books assigned by the teacher. Teachers may reserve books for class work. These books cannot be checked out. The fine for overdue books is \$.10 per day. The overdue books must be returned before paying the fines. Students must pay for any books they lose or damage.

## **Student Activities**

Students who participate in choir, athletic teams, cheerleading squads, plays, or any special program groups at LCBS are required to attend all functions in which these groups participate. Students and parents should plan their individual schedules to minimize conflicts.

Former students are welcome to attend school functions. However, they are expected to abide by the current school dress code.

## **Baccalaureate & Commencement:**

Eighth and twelfth grade students are required to attend baccalaureate and graduation. Any graduates who do not attend Baccalaureate will not be allowed to walk at graduation.

## **School Camp:**

Each year seventh to twelfth grade students attend a one week school camp at Camp Joy in Whitewater, Wisconsin. Camp Joy is a Christian camp with which our ministry has been affiliated

since the 1970's. Over the years, we have financially supported Camp Joy and have sent many young people to this camp. During camp week, our teachers go with the students and serve as the chaperones and counselors in the cabins. All 7th - 12th graders are required to attend school camp.

### **Spring Banquet:**

The spring banquet is a formal dinner for our high school students. It is a special event for our graduating seniors and the time we recognize athletic achievements. 9th-12th graders are expected to attend. 7th & 8th graders are encouraged to attend especially those who participated on a sports team. We request that 7th & 8th grade students be accompanied by a parent or adult guardian. All parents are welcome to attend.

## **Eligibility**

Students may be eligible to participate in the sports program, fine arts performances, academic and/or fine arts tournaments, or any other extra-curricular functions.

Eligibility requirements are as follows:

1. Participants must have at least a "C-" average for the marking period.
2. Participants must have no "F's" for the marking period.

## **Academic Tournaments**

Upper elementary and seventh through twelfth grade students have an opportunity to participate in the IACS academic tournaments. The teachers choose those who will take part in the competition. The school pays all necessary entrance fees. This affords our children a unique opportunity to compete with children in other Illinois Christian schools.

## **Sports Program**

LCBS maintains an active inter-scholastic sports program competing in soccer, basketball, volleyball, and cheerleading.

All students participating in LCBS athletics are required to have a satisfactory physical examination **before** beginning practice. Athletes are encouraged to schedule physicals after June 1 so that they will be covered for all athletic seasons.

Athletes are expected to attend all practices & participate in athletic fundraisers. Athletes may be removed from the team for irregular attendance, lack of ability to perform at the standard set for team membership, or for displaying an improper attitude.

Any students declared ineligible may not participate in sporting events for at least six weeks.

## **Closed Campus**

LCBS operates on the "closed campus" principle. This simply means that attendance at school is required from the regular start of classes to the regular dismissal time, regardless of the number of study periods a student may have. Parents must contact the office if exceptions are necessary. Students may not walk off of school grounds at any time without permission from proper authorities.

## **Tardiness**

Students will be expected to be on time to class, chapel, and all school functions. Students who come to school late or who are delayed in going to first hour class, should go directly to the office for a pass. Habitual tardiness may be just cause for suspension from school and may be reported for truancy.

## Leaving School

Parents are expected to arrange for their children to be picked up in a timely fashion at the end of the school day. Parents will be charged extended session fees if their child is left on the school grounds after 3:30 PM. Parents who are late picking their children up from extended session will be charged \$1.00 for each minute they are late.

### Pick up Instructions

1. Enter the parking lot by the south entrance only.
2. Pick up your children at the north corner of the gym. After picking up your child, follow the traffic pattern back out to Harper.
3. If you arrive before your child is at the door, please park your vehicle or drive back around so that we can keep our traffic moving.
4. Elementary students must be accompanied to their vehicle if the vehicle is not in the car line.

## Attendance/Absences

In order to gain the most from school, each student must be regular in attendance. Absences will be excused for the following reasons:

1. Illness of the student
2. Death in the immediate family
3. Medical and dental appointments
4. Excused pre-arranged absences.

We prefer that medical and dental appointments be scheduled after school hours whenever possible. Parents should notify the school office in advance of the absence. In the case of illness, parents are asked to call the school office before 9:30 AM. If no such call is received, the school will call the parent/guardian of the absentee. Any student that has been absent 3 or more days may be required to present a doctor's excuse to be able to return to school.

Any student absent for fifteen days per semester **may** be retained at the same grade level. In seventh through twelfth grades, this would result in a loss of credit for any course in which the student has accumulated fifteen absences in a semester.

## Pre-Arranged Absences

A maximum of five days of pre-arranged absences is permitted each semester. These are for non-school sponsored activities including family vacations, hunting trips, and church-sponsored outings and retreats. The school requires a two day notification for pre-arranged absences.

Parents of elementary students are asked to arrange these absences through the school office.

Seventh through twelfth grade students must complete and have approved through the administrator a "Pre-Arranged Absence Form" which is available in the office.

Parents are strongly advised to not take students out of school during the first two weeks of the school year or during the final two weeks of each semester. Absences that occur during the final two weeks of the semester are often detrimental to student learning and final grades.

## RENWEB

RenWeb is our secure web-based school management system. It allows parents the opportunity to get more involved in their child's academic progress and success - all via the Internet.

Parents have the ability to see their children's grades, attendance, homework, conduct, the school calendar, announcements, lunch menu, newsletters, financial information, school forms and more while protecting their children's information from others. Parents also have the capability of communicating with teachers and staff online when necessary.

RenWeb is available 24 hours a day/7 days a week wherever you can log onto a computer. It has proven to be a great asset to our school.

Once a student is enrolled parents will be given information on how to access their account on RenWeb.

To learn more about RenWeb go to [www.renweb.com](http://www.renweb.com).

Summer school is required for a student who is behind in the required credits.

## Graduation Requirements

To graduate from LCBS, a student must accumulate at least 20 credits, pass the constitution test, and participate in the senior trip. In addition to the 20 credits, a Bible credit must be earned for each year the student attends LCBS. A passing grade for each semester is required for:

English	4 credits
History	4 credits
Science	3 credits
Math	3 credits
P. E.	2 credits
Electives	4 credits

## Senior Trip

As part of graduation requirements, all seniors participate in the senior class trip. The expenses for this trip are the responsibility of the student. Many fund-raisers are used to help them earn money for this trip.

## Report Cards and Grades

Our reporting system is designed to give parents and students an indication of the progress which is being made.

A report card will be e-mailed at the end of each six-week period. For those who do not have an e-mail account, paper copies will be sent home with elementary students and mailed for 7<sup>th</sup> - 12<sup>th</sup> grade students.

RenWeb accounts will be blocked or report card held for any student whose financial account is delinquent.

Grading is on the following scale:

90-100	A	Outstanding Work
80-89	B	Above Average Work
70-79	C	Average Work
60-69	D	Below Average Work
0-59	F	Failing Work

The K-4, K-5, & Elementary activities grading scale is:

O	= Outstanding
S	= Satisfactory
N	= Needs improvement

## **Progress Reports**

Student progress reports are sent out through RenWeb to all students six times a year at six-week intervals. Grades can always be seen on your RenWeb account.

## **Honor Roll**

An honor roll is published at the end of each six-week period based on a 4.0 grading scale. There are three categories:

Straight A Honor Roll	4.0
A Average Honor Roll	3.5 - 3.99
B Average Honor Roll	3.0 - 3.49

## **Make-up Work**

Students who are absent must check with classroom teachers immediately upon returning to school to get all assignments missed. Assignments are posted daily on RenWeb. Students are allowed one day for each excused school day missed to make up the work. Missed tests should be made-up in a timely matter at the discretion of the teacher.

## **Course Change**

No course may be dropped or added without administrative approval. Any course dropped after the second week of school will be recorded as an "F" unless such a change is recommended by the administration. No schedule changes may be made at the semester break without approval.

## **Textbooks**

Required textbooks are furnished by LCBS. In case of loss of textbooks or workbooks, students will be billed for the total price of replacement books. Damaged books will be assessed at the end of the year and charged to your account.

Students are required to have book covers for the protection of their hardcover books. Book covers are available in the school office.

Each student is required to have a King James or New King James Bible. These also may be

purchased from the school.

## **Physical Education Uniforms**

Each 7<sup>th</sup> - 12<sup>th</sup> grade physical education student is required to wear a gym uniform. The required PE uniform is to be purchased from the school and no modifications are allowed. All students are required to have the full uniform by the beginning of school, to keep it clean, and to bring it on the appropriate PE days.

## **Homework**

Homework is a necessary part of each child's education. All students will be assigned homework by their teachers. Parents should oversee these assignments. Parents are encouraged to contact the teacher if they have any questions regarding homework.

We request parents' cooperation in seeing that assignments are completed on time. However, this does not mean that parents do the work for the child. Repeated delinquent or unfinished homework will negatively affect students' grades.

## **Promotion/Retention**

Any elementary or 7<sup>th</sup>/8<sup>th</sup> grade student who has failed two academic subjects may be retained. The administration will schedule a meeting with parents to discuss options such as summer school or retention.

# **DISCIPLINE CODE**

## **Philosophy**

Lake County Baptist School is a ministry of Lake County Baptist Church that exists to assist parents in the development of children who are biblically grounded, academically prepared, socially adept, and physically sound. These are the purposes of our school. Although each specific rule within the discipline code may or may not be necessary for each individual home, we believe the following discipline code enables LCBS to fulfill its expressed purposes.

The discipline code is based upon our four purposes and at least four biblical principles. All our purposes are included in the discipline code with emphasis on the following goals:

- ⇒ To provide an environment where students learn to think biblically
- ⇒ To instill a loyalty to Jesus Christ in all things at all times
- ⇒ To develop integrity in the application of scripture to life
- ⇒ To impart the crucial skills and understanding that equip students to behave themselves appropriately in all circumstances and occasions
- ⇒ To develop an understanding of the student's place and obligations in the family, school, and community.

The following four principles are clearly and repeatedly taught in Scripture and also form the basis for our dress code.

### **1. The principle of modesty:**

*I Timothy 2:9* "In like manner also, that women adorn themselves in modest apparel with shamefacedness and sobriety; not with braided hair or gold or pearls or costly array;"

*I Peter 3:3-4* "Whose adorning let it not be that outward adorning of plaiting the hair, and of wearing of gold or of putting on of apparel; But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of great

price.”

## 2. The principle of distinction (of the sexes):

*Genesis 1:26-27* “And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle and over all the earth, and over every creeping thing that creepeth upon the earth. 27 So God created man in his own image, in the image of God created he him; male and female created he them.”

*Deuteronomy 22:5* “The woman shall not wear that which pertaineth unto a man, neither shall a man put on a woman's garment: for all that do so are abomination unto the LORD thy God.”

*I Corinthians 11:14-15* “Doth not even nature itself teach you, that, if a man have long hair, it is a shame unto him? 15 But if a woman have long hair, it is a glory to her: for her hair is given her for a covering.”

## 3. The principle of identification & association (Does this behavior/dress associate one with Christ or not?)

*Colossians 1:10* “That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God;”

*I Timothy 4:12* “Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity.”

*I John 2:15-16* “Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. 16 For all that is in the world, the lust of the flesh and the lust of the eyes, and the pride of life, is not of the Father, but is of the world.”

*Romans 12:1-2* “I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. 2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.”

## 4. The principle of appropriateness:

*Colossians 4:5* “Walk in wisdom toward them that are without, redeeming the time.”

*I Samuel 18:5* “And David went out whithersoever Saul sent him, and **behaved himself wisely**: and Saul set him over the men of war, and he was accepted in the sight of all the people, and also in the sight of Saul's servants.”

*I Samuel 18:14* “And David **behaved himself wisely** in all ways; and the LORD was with him.”

*I Samuel 18:15* “Wherefore when Saul saw that **he behaved himself very wisely**, he was afraid of him.”

*I Samuel 18:30* “... and it came to pass.... that David **behaved himself more wisely** than all the servants of Saul; so that his name was much set by.”

Through exhibiting positive role models and establishing healthy relationships, the faculty and staff desire to work with the parents and churches to produce young people who are "perfect (mature), thoroughly furnished unto all good works." (II Timothy 3:17)

Students that have broken or destroyed school property will be expected to pay the replacement cost.

The following is our **normal process** for dealing with disciplinary problems:

1. **After school detention.**

2. **A parent-teacher conference** - involving the administration as needed.

3. **A 1-3 day suspension.**

Remember, work missed during suspension receives no credit.

LCBS is prepared to take action to prevent and correct any violations of this policy. Anyone who violates this policy will be subject to discipline, up to and including termination or expulsion.

"Sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of the following conditions:

## **Counseling Policy**

The entire faculty and staff is here as a ministry to assist the students to accomplish God's purpose for their lives. However, to prevent problems and avoid wrong impressions, the following policies are set forth:

- ◆ Students may counsel with a faculty or staff member of the opposite sex **one** time. During this counseling session the faculty or staff member is to ascertain the nature of the problem or difficulty the student is having.
- ◆ The faculty or staff member will then connect the student with a faculty or staff member of the same sex as the student.
- ◆ At no time will a faculty or staff member counsel a student in an isolated area of the building.
- ◆ At no time will a faculty or staff member discuss their personal problems, complaints, or difficulties with a student.
