

THE LAW & MARXIST ANALYSIS

Is rape **always** wrong?

Is beheading **children** always wrong?

Is burning folks alive **always** wrong?

Is baking babies **always** wrong?

Strangely enough, about 21% of democrats this not...under certain circumstances!

Marxist Analysis (of many & growing flavors):

➤ There are **2** groups

➤ There are **only 2** groups

Classically this was classism: rich & poor | have & have nots

This has always struggled in the USA because we have a large middle class...

The haves, & the have mores!

This has then been expanded...again & again & probably again...:

Classism: rich & poor

Sexism: male & female

Racism: black & white

Genderism: cisgender & LGBTQ...

➤ **2 groups in conflict**

➤ One group is **good** (the oppressed) and one group is **bad** (the oppressors)

➤ The good group (the oppressed) can **never** become the bad group (the oppressors)

➤ The good group (the oppressed) can only become bad **if** they

Occupied & occupiers

(Majorities & minorities)

Can we guess who the good guys are?

Exodus 12:49 One law shall be to him that is homeborn, and unto the stranger that sojourneth among you.

Leviticus 24:22 Ye shall have one manner of law, as well for the stranger, as for one of your own country: for I am the LORD your God.

Numbers 15:16 One law and one manner shall be for you, and for the stranger that sojourneth with you.

Numbers 15:29 Ye shall have one law for him that sinneth through ignorance, both for him that is born among the children of Israel, and for the stranger that sojourneth among them.
